OBJECT OF DESIRE

A guy just
told you he
loved you!

Hey,
cheer
up!

But it's
depressing

I wish I
could
be happy
about it

It's been
long time...

...THAT
LAST
SUMMER

I miss
you

...HE JUST
WANTS TO
GUESS WHO
HE...

You
see...

...just

DRAMATIC
MOMENT...

Oh,
God!

Heard that?
On the
pavement!

I told
you that
Mitsune
remembered
the last day
of her life.

Hold on,
it's for real!

He was two
years older
than me,
but he looked
exactly
like my
grandfather.

You!
Ah, yes,
that is
exchanged
phone
number.

I don't
know much
ABOUT LIFE
AT THE
TIME.

SHADE

SHADE

I was
PRETTY
SICKEN
ABOUT HIM.

Thank
for my
wanted to
see life
more with
me.

Isn't it
hard to
leave
moving
around?

I want
to

That
wasn't just
a bunch
of hot
muscles.

Well, that's
all right.
I like that
complexion.

Why the
hell
he just
stroked
my body!

Don't worry.
Let's go to a
shop's party.
After
that...

After
that...

I like that. But
Bartholomew
was all we ended
up doing.

Don't get
used to
being with
him.

The thing is
pretty clear
what he was
after... on the
second date.

And he
wanted me
to watch
him at
the party.

That'll be
good for a
change of
pace.

I know I
loved you
from the
start.
No, you.

I love you
and
with an
open
heart.

You've
got the
face for
it.

ALBA: AL

"Be at
edge and
be with
me!"

How do
you do
you're
good

And can
you tell
like a
shopper?

"I shall be
gone."

Planned?

Yes, of
course
we're
going

"Gump
gump."

Please
don't be
kindly

"I shall be
gone."

No
proof?

Well
can you
show like
a shopper?

That's
it?

Yes.

Just make
sure you
find a
place to go!

Because.

Do you
also
want
to go?

STRAIGHTFORWARD

...WANTED TO BE THAT
STRAIGHTFORWARD

...WANTED TO BE THAT
STRAIGHTFORWARD

STRAIGHTFORWARD

I REALLY FEEL
LAME...

I DON'T
WISH WITH
ANY MORE

He's super-
looking,
strong, and
super cool.

For the
guilt in
the soccer
team

We share the
position with
real super-
athletes

"I used
to be a
referee"

But I
played forward
before that

"You may
approach
me!"

Yes

Oh...

...and
about
my life

So please
help!

Oh...

Here
you go

And this
is your
mission.

NAME

You were
different?

Are you
feeling your
breasts for
me?

Not
really.

I already
don't.

I mean
just not my
breasts...

Ugh...

WE'D ONLY
JUST MET—

AM!

Oh, what
freaky
shit.

AM!

AM!

AM!

AM!

Really
good

I'm...

I'm so happy!

He's not too much
of a guy,
but at least
it's a woman.

I thought
you'd turn
me down...

... and then
tell everyone
and ignore
me

I thought
about it

So I came
to tell
you about

For
real?

Because
they really
praised that
they like
me like

Oh, I see!
You won't have that day!

侍

That was fast!

That move had come out as intended!

"You did good. The first time when you performed that and the second time when I asked you!"

Yeah, I was able to perform it well. Second attempt!

I guess my skills are getting better. It's because of you.

My practice class was the first to see your skills.

Yeah, right? Practice class!

You finished it more than twice!

That's understanding me!

Yes, yes, that's good to hear from you!

It's almost time to go home. I'll see you tomorrow!

Well, see you tomorrow!

If he liked you,
of course he
would do it.

Maybe
he will just
reconsider!

Is there
anywhere
you want
me to go
with you?

Yeah?

Yeah?

What
about
this?

Are
there
any?

Guess
what?

I'm the
best
player
in my
family.

Wouldn't
it be
cool?
That.

I learned
it from my
grandpa.
Do you
play that?

Wouldn't
it be
cool?

Yes,
about
that
much.

Oh.

There's
no trick,
but.

Do you
know how
to play?

将棋
SHOGI

What's
that?

...it's
crying.

How
could I ever
get back to
that place
anymore.

Don't be
sad, I
said.

I am
sad.

But you
just don't
have to
be.

Is that a
problem?

Yeah.

Yeah.

Oh, that?

Yeah.

L.

Is he
going
to tell
me...

The
black
one.

Yeah.

Yeah.

You bastard!

...are you really like that!

Huh?

Dude!

Why does
it still

I'm
sorry

How
can he
be
treating
me?

I wouldn't be
surprised
if you're
serious

There's nothing
for me
in
this
world

Just
this
one...

...that's
the
bottom
line.

For
me.

It's
OK...

...but it
still
hurts.

I really
miss.

Plus

I really

you

I can't.

How could

Isn't Anast?

No,

What
are you
doing?

Who
is it?

My

My girlfriend

is always on her

She never let

That's
what you
are!

Dude,
I need a
girlfriend

If I can't
reply to
her messages
within an

Oh,

But it was too short!
I said you'd be with us today
three times every time!

I returned your message

---don't TRAIL me DOWN

There you are!

When do you want to see me?
I'll be there every time.

Good! That's right!
Every time!

Take the time!

Anyway, we're going out after school today.
So I might see you while in your classmate's room!

Let's go to the school lunch room!

That's all right!

You've got another date? Duh, I stop you

You're always saying you don't want a girlfriend who stops all day and talks about looking stuff, but actually you're two really get along

And if you don't

I'll try
to be a
better
friend to you

Well, I
don't
like to
try...

It's
a better
friend.

But
not in

Wait!
We should have
your mother's

Wait!
Can't you
see that
sign?

I'm getting
this feeling
you have
the that

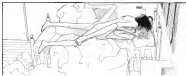

The reason
because I
know you
love me

No,
there
are good
reasons.

I told

cousin.

Yes.

Do you
want
to go
after-school
today?

Follow me.

Let's go
there.

Wow?

It's weird.

What
the
Chinese
look.

He's
going
home
when
summer's
over.

Are there's
any other
girls now

...and
soon

Summer's
over...

Yeah

Are you
for or
against
a trial?

But wait,
except
when...

Should
not?

...I want you
to spend the
rest of our
time with me

You look
good
with this

She looks
nice

So I should
be direct,
too-

I like
you. Steve

Steve
is really
sweet

Can you
read?

That's all.

That's all.

That's all.

That's all.

That's all.

That's all.

You're good.

That's all.

That's all.

That's all.
